

Naturenauts

Nature Peer Group

For Autistic folk 18+ in and
around Hobart.

When: 3rd Saturday Every month

Time: 10:30am - 12pm

Where: Beautiful places in and around Hobart

(Please check RAENS Facebook Page under Events for the location each month)

Naturenauts love walking in all kinds of nature. This is a slow walking group that stops and looks at the nature around them, they don't go far and don't go fast. Exercise won't keep you warm so please wear an extra layer of clothing and good walking shoes, plus please have some protection from sun and rain. We have magnifiers but you may like to bring your own magnifier, binoculars, camera/phone or a bird caller if you would like.

Please contact us at peerconnect@raentsmania.com.au if you would like more information or would like to join the group
